

Harford County Electrical Contractors Association

Electrical Apprenticeship Program

Application for the 2021–2022 School Year

Your company's future is tied directly to the skills of your employees.

The HCECA Electrical Apprenticeship Program is a four-year electrical apprenticeship program approved and certified by the Maryland Apprenticeship and Training Council, Registry #919 and the United States Department of Labor.

The Harford County Electrical Contractors Association has been a pioneer for electrical apprenticeship since 1977. Since entering into a partnership with Harford Community College, its electrical apprenticeship program has grown into one of the largest in the State of Maryland and is highly regarded among employers for providing a high-quality education to its apprentices.

If you are interested in becoming a journeyman electrician certified by the state of Maryland, complete this application and email it to hceca@harford.edu or mail to:

HCECA Electrical Apprenticeship
c/o Harford Community College, Edgewood Hall
401 Thomas Run Road
Bel Air, MD 21015

There is no fee to apply. Applicants must be at least 16 years old (*work permit required if under 18*) and have either a high school diploma or GED.

Classes will begin in September 2021 and run through May 2022 at the Workforce Development and Apprenticeship Training Center* on the campus of Harford Community College, 401 Thomas Run Road, Bel Air, Maryland.

**Classes may take place in a hybrid or online format depending on current COVID restrictions.*

Harford County Electrical Contractors Association Electrical Apprenticeship Program

MISSION

The HCECA Electrical Apprenticeship program provides accessible and innovative training in understanding electrical codes, principles, fundamentals and theory pertaining to the installation and maintaining of electrical systems at the journeyman level.

VISION

Prepare and transform lives through a career choice and instill a desire for lifelong learning and individual development.

VALUES

We adhere to integrity, honesty, fairness, respect, and trust as our foundation.

IMPROVEMENT

To adopt and incorporate into the program new and time-saving procedures, methods and materials as they become available.

CERTIFICATION

Upon successful completion of the HCECA Electrical Apprenticeship program, the student will be awarded a certificate from the State of Maryland Department of Labor and the Maryland Apprenticeship and Training Council attesting to the fact that they have received the training and knowledge to be a certified journeyman electrician.

Electrical Apprenticeship Program

Application for the 2021–2022 School Year

The Harford County Electrical Contractors Association offers a four-year apprenticeship program that is a combination of on-the-job training and classroom instruction. Upon completion, you will be awarded a Journeyman Certificate from the State of Maryland and are eligible for up to 21 college credits at Harford Community College.

REQUIREMENTS

Applicant must:

- Be at least 16 years old (*work permit required if under 18*).
- Have a high school diploma or GED.
- Have a valid driver's license and transportation to school and to work.
- Have a valid email address and are able to access online curriculum.
- Be able to pass a math comprehension assessment.

APPLICATION PROCESS

We actively recruit from January 1 through May 31 each year. The application deadline is May 31, 2021. Applications are accepted throughout the entire year; however, applications received after May 31 will be held on file until the following year. All applications received before May 31 will be considered for classes starting in September of the same year. Once our office receives your application, you will be scheduled to take a basic math comprehension assessment.

After test scores have been evaluated, an interview will be scheduled. Please arrange to obtain GED scores or high school transcripts for your scheduled interview. If you have not tested, you **will not** be interviewed. All applicants will be interviewed by June 30 and acceptance will be determined by July 31.

EMPLOYMENT

You are required to find employment in the electrical trade with an HCECA member during your apprenticeship. All employers must be a member of the Harford County Electrical Contractors Association. If not a member, employers can join at a minimal cost. (*Most union contractors cannot join our association due to the collective bargaining agreement they have signed with their local chapter.*)

It is the student's responsibility to contact and arrange for interviews with potential employers. Employment referrals are available upon request.

Apprentices are required to complete 8,000 hours of on-the-job training (this is a full-time, 40-hour a week job) and 576 hours of related classroom instruction over 4 years.

CLASSROOM TRAINING

- Classes are held 2 evenings per week from 6:00 – 9:00 PM for a total of 144 hours per year.
- Related classroom instruction is held in the Apprenticeship & Training Center in Edgewood Hall on the campus of Harford Community College located at 401 Thomas Run Road, Bel Air, Maryland.*
- Apprentices must maintain a minimum GPA of 70% to advance in the program.

**Classes may take place in a hybrid or online format depending on current COVID restrictions.*

TUITION

Full tuition payment is due by August 31, 2021 unless a payment plan has been approved prior to this date. Some employers offer financial assistance. Scholarships are available; contact our office for an application.

Tuition for 2021/2022 is \$1,700.00 (this includes books) *

Tuition is subject to change.

***a separate technology fee of up to \$100 may be assessed.**
