**Celebrating
National
Apprenticeship
Week!**

It's a great time to consider a career in the trades! Come learn more about us! You might be surprised at what a rewarding career path this can be!

Learn about our program including:

- What:** Curriculum, program details, cost & scholarship opportunities
- Where:** Tour our classrooms and labs in Edgewood Hall (*tours at 4:30 & 5:30*)
- How:** See our presentation and marketing video and ask our Training Coordinators how the program can work for you!

Anyone interested in a career as an electrician is welcome!

Did you know that . . .

Electricians Are in Demand! The construction industry is growing and so is the need for qualified, well-trained electricians.

You Can Earn While You Learn – You will work full-time in the industry while attending class two evenings a week – this means minimal or no debt once you graduate from the program.

Electricians in Maryland earn an average of \$31.84 per hour, or \$66,230 annually.
